*Prominent event is one of 20 regional championships held across the country this fall.*

DALLAS – Outstanding high school marching bands from throughout Texas and Louisiana will compete in one of the nation’s most prominent championships, Music for All’s Bands of America Dallas/Ft. Worth Regional Championship, presented by Yamaha, at the Dragon Stadium (1085 South Kimball Avenue) in Southlake, Texas on September 30.

Music for All holds 20 other Bands of America regional marching band championships across the country that offer positively life-changing experiences for students, teachers, and fans and spectators. These championships are a celebration of music education at its finest, showcasing excellence, teamwork, and leadership.

The championship event, hosted by the Carrol H.S. Marching Band of Southlake, Texas will feature 26 high school marching bands in the preliminary competition, all of which will be evaluated by a panel of nationally recognized music educators and marching band experts. The top 10 bands will advance to the evening finals competition, which will ultimately name the Regional Champion.

“Bands of America Championships are programs supporting our mission to create, provide, and expand positively life-changing experiences through music for all,” according to Eric L. Martin, President and CEO of Music for All. “Active experiences in music and the arts are integral to providing students with a well-rounded education. The performances of students at this Bands of America championship showcase the results that come from the dedication and teamwork necessary for the achievement of excellence, on the performance field and in life beyond. Bands of America events advocate for maintaining and growing our national commitment to music and arts education, with the student performers making the case in the most visible, artistic, and entertaining way possible, – something each and every American should witness and experience.”
