2026 Bands of America Utah Regional Championship is in St. George, Utah on Nov. 7

Twenty-five high school marching bands will compete for the regional championship title

ST. GEORGE, UTAH –Twenty-five high school marching bands from across the region will perform at Greater Zion Stadium at Utah Tech University on Saturday, November 7, as part of the Bands of America Utah Regional Championship, presented by Yamaha and Sweetwater.

Bands of America Championships are the nation's premier marching band events, showcasing outstanding student musicians and visual performances. Bands of America is a program of Music for All, a 501(c)3 nonprofit organization that is one of America's largest and most influential music education organizations.

Music in our schools is an important part of a complete education. More than 27.3 million students in grades 1-12 are involved in music in their schools in the United States, according to the 2022 National Arts Education Status Report. About 181,000 students will perform at Bands of America Championships this fall.

The regional championship host group is American Fork High School, who will welcome and assist the Bands of America staff with the facilities and running of the event. There will be an exhibition performance by the Riverside City College Marching Tigers following the conclusion of preliminary competition.

Schedule
Gates will open for preliminary competition at 7:45 AM and for finals at 6:30 PM. The full schedule of performing bands can be found at marching.musicforall.org/utah-regional.

Performances will be evaluated by a panel of nationally recognized music educators and marching band experts. The 12 highest-scoring bands will advance to the evening finals with the top-scoring band named champion at the end of the night.

Tickets
All tickets are digital, and the event is cashless. Spectators can skip the line and buy tickets, including full day passes, tickets for finals, and student group tickets, online at marching.musicforall.org. Children 10 years or younger are admitted for free for general admission seating.

The Performances
Each participating band performs a unique show that is up to 11 minutes long. Then, they are evaluated and scored based on musical and visual performances, as well as general effect. The bands will perform their shows throughout the fall, with the goal of receiving a score as close to 100 as possible at each of the championships in which they choose to participate.

The 2026 Bands of America Championships season includes 28 events across America, culminating with the Bands of America Grand National Championships at Lucas Oil Stadium in Indianapolis, November 12-14.
